## Anita Hernandez

Anita was born and raised in the Houston area. She is the eldest of three children and has fond memories of her large extend family which included her great-grandparents, grandparents, aunts, uncles and numerous cousins. Anita remembers going fishing with her father and learning to crochet, embroider and cook with her mother.

Anita's first job was with Kerr Steamship Company which ran passenger cargo ships. She was a secretary and also performed translations for Spanish speaking clients. After Anita's marriage to Johnny Hernandez, whom she met at age thirteen, she had three girls and was a model mother.
